

Language Center has launched **Peer Language Tutoring System**

**Japanese students who are seeking for
a chance to learn foreign languages from
international students or a chance to teach
Japanese to international students are wanted!**

If you are willing to help proofread reports or to become a Japanese conversation partner for international students, register to become a Language Tutor on the "RANCHU" system. Language tutors are paid hourly. (Rates: Doctoral student 1,200 yen/hour, graduate student 1,000 yen/hour, undergraduate student 920 yen/hour.)

If you want to find an international student Language Tutor to learn a foreign language or to have a conversation partner, register to become a Language Tutee. Lessons are free.

As long as you are a Japanese student of Hiroshima City University, you are eligible to register. Your major or UG/GR status do not matter. Registration is required to get started. If interested, please contact Prof. Watanabe.
