

Exam Overview – L1 - Outils d'Apprentissage English (CC #1)

Date: October 22, 2025

Duration: 40 minutes

Total: /20 points

Grammar – Identifying Parts of Speech

*Students must recognize basic grammatical categories (noun, verb, adjective, adverb, preposition, conjunction, article, pronoun, etc.) within sentences or a short passage. **Focus:** Understanding how words function in context.*

Grammar – Same Word, Different Use

A few short sentences test whether students can see how one word can play different grammatical roles.

Focus: *Word function and context clues.*

Translation – French to English

Short everyday sentences to translate, focusing on accurate grammar and natural phrasing.

Focus: *Vocabulary recall, sentence structure, idiomatic accuracy.*

Vocabulary – Word Families (“sense”)

*Students use different forms of a common word to fit various meanings (e.g. sense, sensible, senseless, etc.). **Focus:** Word formation and precision in vocabulary use.*

Dictionary & Collocations (“walk”)

Students read a short dictionary-style entry and answer quick questions using that information.

Focus: *Using a dictionary effectively, understanding collocations, and word combinations.*

Skills Covered

- Grammar recognition
- Context analysis
- Translation
- Vocabulary building
- Dictionary use
